Name:

Current School Enrolled in and Year of Study:

Contact Information: Please Include email and postal address

---

Please answer the following questions in a few paragraphs each:

- 1. Honesty, Integrity, Open-minded, Hard working, Light-hearted, Creative** These are the qualities that we feel are essential for all of us to value and share in order for this to be a successful experience. Briefly describe a personal situation when one of these qualities was highlighted:
- 2. What is a strength of yours that you would offer to this experience?**
- 3. How would your good friend describe you? Your most compatible teacher/employer? Your least compatible teacher/employer?**
- 4. What documentary, internet video, piece of art, piece of writing have you been inspired by in the last year? Why?**
- 5. If you were traveling by yourself, what places or events would you make sure that you sought out?**
- 6. What is your experience with audio, photography, videography?  
(No Experience is necessary)**
- 7. What other medium are you inspired to express and create with - drawing, animation, ceramics, words?**
- 8. What interests you about this program? Why are you applying?**
- 9. Which trip are you applying for?**

Please give 3 people, their relationship to you, and their contact information for us to speak with about you:
